

**WELCOME TO
THE CASTLE INN**

Where it's love at first bite!

AND

DIRLETON

Where it's love at first sight!

This new menu for winter 2012 includes all the popular dishes which have defined the award winning Castle Inn over the last three years. Our highly talented Head Chef, Daithi (David) Wigginton has introduced some new dishes with which to tempt and hopefully seduce you. We hope you enjoy the experience.

We are immensely proud to have been awarded the accolade of ***“Best Bistro meal in East Lothian”*** in 2009 and 2011 coupled with ***“Best customer care”*** in 2011. The Castle Inn overlooks the village green in Dirleton, one of Scotland’s most beautiful locations, in the heart of Scotland’s Riviera, which is, of course, ***East Lothian!***
